

i Gen.®

Soundproof type Inverter type generators

2300Z/3500Z(S)

2kVA

3.5kVA

MADE IN JAPAN
DAISHIN INDUSTRIES LTD.

Portable Generators

with HG Brand OHV Engine

Soundproof type Inverter type generators

● Long durability ● High performance with economy ● Made in Japan

Higher Quality Output

Employment of inverter control system achieves extremely high quality output (0% frequency fluctuation, less than 3% in wave distortion and less than 4% in voltage fluctuation), which can cope with household power, even for precision instrument, personal computers, etc.

Higher Power Output

Unique design realizes higher output with the same noise level with the conventional model of the same size.

Improved user operability

Several indicators allow operator to check the generator status at a glance.

Compact & Light Weight

iGen.2300Z

iGen.3500Z(S)

- Indicator: Oil/Overload /Power Output
- DC Output
- Economy Switch
- Reset Button
- DC Circuit Protector
- Indicator:V/Hz/Hours
- Hz Selector

SPECIFICATION

MODEL		iGen.2300Z	iGen.3500Z	iGen.3500ZS	
GENERATOR	Rated Output	VA	1,900	3,100	
	Max. Output	VA	2,300	3,500	
	AC Output	V		220/230/240	
	Frequency	Hz		50/60	
	Insulation Class			H	
	Battery	V/Ah		N/A	7
ENGINE	Rated DC Output		12V/6A	12V/8.3A	
	Effective Fuel tank Capacity	ℓ	4.8	6	
	Displacement	cc	98	192	
	Bore x Stroke	mm×mm	52×46	70×50	
	Engine Type			4 Strokes, OHV, Gasoline	
	Max. Power Output		2.65KW/5,000rpm	4.5KW/4,000rpm	
Other Features	Oil Capacity	ℓ	0.45	0.6	
	Starting Method		Manual	Recoil+Electric	
	Gross Weight	Kg	24.5	43	48
	Net Weight	Kg	21.5	38.5	43
	L×W×H ,Packaged	mm	580×345×465	605×470×500	675×490×510
	Sound Noise Level	dB(A)@7m	53		59
Continuous operation hours	Hrs@50% Load	7		5	
Starting Temperature Range	°C		-15 to 40		
Accessories		Manual, Engine tool, 12V DC charging cable, Spark plug, Oil funnel			

*Specifications are subject to change without notice.
