ВІДРИВНИЙ ТАЛОН

A horizontal form with a black border. It contains three white rectangular input fields of varying widths. To the right of the fields is a black submit button. The form is set against a background of a complex, repeating geometric pattern of overlapping circles and lines.

A horizontal form with a black border, identical in structure to the one above. It contains three white rectangular input fields and a black submit button on the right. The background is the same complex geometric pattern.

A horizontal form with a black border, identical in structure to the ones above. It contains three white rectangular input fields and a black submit button on the right. The background is the same complex geometric pattern.

A table with 4 columns and 4 rows. The top row is entirely black. The second row has a black header cell in the first column, followed by two white cells, and a black cell in the fourth column. The remaining three rows consist of white cells. The table is framed by a thick black border on the top, bottom, and right sides, and a gray border on the left side.
