

Cabinmate

SCM3000F

Excellent Performance, High Durability!

FEATURES

- Reliable 4 stroke gasoline engine
- Electric Starter as standard for easy-start
- AVR system for fine voltage regulation
- Appropriate large capacity fuel tank
- Simple panel design for easy-operation
- Wheels for easy-transport as standard
- Well organized & reliable supply network

STANDARD ACCESSORIES

- Instruction manual,
- Engine manual Engine tool kit

SPECIFICATION

MODEL	SCM3000F	
Alternator		
AC Voltage	220V	
Frequency	50Hz	60Hz
Max. Output	2.2kVA	2.8kVA
Rated Output	2.0kVA	2.4kVA
Phase	Single	
Power Factor	1	
Engine		
Engine Type	4-Cycle Air-Cooled	
Displacement	196cc	
Output	6.5HP/4.8kw/4,000rpm	
Fuel Tank Capacity	15Litter	
Starting System	Electric/Recoil	
Others		
Dry Weight	47kgs	
Measurement, Packing	670mm×475mm×485mm	
20FT container load	164PCS	

*Specifications are subject to change without notice.
